Recommendation

I am writing this letter to read Lupalo Nikita Antonovich in the position of Back-end programmer. During the period from 06/02/24 to 22/09/24, when Nikita worked for our company «Oi by Ozimiz» LLP, he demonstrated outstanding skills in developing and maintaining web applications using Flask, and also demonstrated a high degree of efficiency and initiative.

During his work Nikita:

1. Professionalism: Nikita has consistently demonstrated a high level of knowledge and understanding of Flask principles, which has helped our team develop efficient and resilient web applications. His ability to quickly learn new technologies and put them into practice was especially valuable.

2. Development skills: Nikita successfully implemented a complex project in which he demonstrated excellent programming skills in Python and used Flask to create highquality web applications. His attention to detail and ability to write clean, understandable code greatly improved the project's performance.

3. Teamwork: Nikita has proven himself to be an excellent team player. He is always ready to help colleagues, share knowledge and take part in collective problem solving. His communication skills and ability to collaborate contributed to a positive and productive work environment.

4. Initiative and creativity: Nikita repeatedly showed initiative, offering new ideas and approaches to solving problems, which allowed us to achieve our goals in more effective ways. His creative approach to problem solving brought significant benefits to the project.

In conclusion, I am confident that Nikita will be a valuable addition to your team. He has all the necessary skills and qualities to successfully cope with any tasks related to Flask development. I highly recommend Nikita for the position of Flask programmer and am confident that he will make a significant contribution to your team.

If you have any questions or need more information, please feel free to contact me.
